Announcements

Random Acts of Kindness (RAK) Challenge
Hosted by: Student Vitality COVID-19 Domain

Watch this 59 second video to find out how to participate in the RAKChallenge!

What are Random Acts of Kindness?
(DIR) Small or large acts of generosity and compassion to help others during this difficult time. No specific talent, measure of time, or amount of money is required. Look in your class, university, home, workplace, and/or community.

(DIR) Examples -- Use your creativity!
- Make masks
- Make a home-cooked meal
- Send GrubHub
- Send cards/letters to loved ones, health care workers, or essential workers

(DIR) Hashtags: (Please use these to spread our Kindness far and wide)
- #RAKChallenge
- #RAKChallengeYOURSTATEINITIALS, e.g., #RAKChallengeAZ

Face Mask Project

The CHS Community Partnership & Engagement domain is engaging with our Community Partners by helping to make masks for people who are serving at-risk or underserved populations (for instance, the people at the schools giving out free lunches for children under 18).

If interested, please use the links below:
- Sewing Masks
CHS Special topics course: Summer 2020

The CHS Special Topics course launching this summer will address COVID-19 issues. Colleagues across our college will be guest speakers and community stakeholders will share their experiences addressing COVID-19 related issues in the weekly webinars.

You are invited to offer ideas, suggestions, comments about this course. Also, if you know of someone who could address one of the course topics, please let us know and we will reach out to determine if they would like to participate.

Please contact C.R. Macchi for more information. crmacchi@asu.edu

CHS COVID-19 Grant program

CHS Research Success Hub is continuing to accept COVID-19 grant proposals until all funds are allocated. We will announce recipients, as well as a notice when the opportunity closes. Please contact CHSPilotGrants@asu.edu with questions.

Highlights

Hospital Resources, Public Health Facilities, and Social Vulnerability amid the COVID-19 Pandemic in Arizona

Knowledge Enterprise (KE) utilized third party resources to compile this map on Hospital Resources, Public Health Facilities, and Social Vulnerability amid the COVID-19 Pandemic in Arizona. Included in the map are locations of drive-up testing sites, confirmed COVID-19 cases and deaths by county, healthcare locations, etc. It’s a useful ‘one stop’ site for relevant information regarding COVID in Arizona.

CHS Employee Emergency Fund
Due to COVID-19, the College of Health Solutions has established the CHS Employee Emergency Fund. Once funds are available, the Faculty and Staff Vitality team will share the process for seeking assistance. If you have questions, please contact CHSCovid@asu.edu.

PolicyMap

The College of Health Solutions has a subscription to PolicyMap which is a resource housed in CHiR. If interested in accessing PolicyMap, please email CHSCovid@asu.edu.

Events

Health Talks: COVID-19 Series

Topic: COVID-19: What does the science say about re-opening?
When: Friday, May 8th from 11am – 12pm
Webinar: Link Coming soon
Speakers:
- Dr. Megan Jehn, PhD, M.H.S. is an Associate Professor of Epidemiology and member of the global health faculty in the School of Human Evolution and Social Change at Arizona State University. She also holds affiliate appointments at the Global Institute for Sustainability and the ASU Decision Theater.
- Dr. Timothy Lant, PhD, MAS is the Director of Program Development for the Knowledge Enterprise at Arizona State University where he supports the identification and development of research funding opportunities for the Biodesign Institute and other university initiatives. Dr. Lant is an expert in pandemic modeling and response.
- Dr. Heather Ross, PhD, DNP is a Clinical Assistant Professor at Arizona State University and Policy Fellow in the office of Phoenix Mayor Kate Gallego. Dr. Ross holds a joint appointment between the School for the Future of Innovation in Society and the Edson College of Nursing and Health Innovation.

Health Talks: COVID-19 Series, Archive

- April 17, 2020: COVID-19 and effective diagnostics: The key to recovery of health, society, and the economy
- April 2, 2020: The COVID-19 Pandemic: Causes, Testing Options and Care

CHS Yoga Series
CHS Yoga will be offered by Maricarmen Vizcaino, Health Solutions research specialist and yoga instructor, every Monday and Friday morning at 7:30am via Zoom until further notice.

**CHS Events Calendar links:**  Friday, May 1st & Monday, May 4th.

---------------------------------------------------------------

**COVID-19 and Health Equity: Exploring Disparities and Long-Term Health Impacts**  
Wednesday, April 29, 5pm-6:30pm ET, 2pm AZ Time

This webinar is brought to you by the American Public Health Associate and the National Academy of Medicine. It is the sixth COVID-19 Conversations and will explore the disproportionate impact COVID-19 is having on minority communities, what we can do now to combat these disturbing health inequities, and what we can learn from past pandemics about how to provide equitable care to all.

This webinar has also been approved for 1.5 continuing education credits for CHES, CME, and CPH. All participants will receive an email on how to claim their credits after attending the webinar.  [Click to Register].
